# THE CARRY-ON CAMPAIGN

*Providing luggage for youth in foster care*

Many children in foster care go between homes carrying only a garbage bag. You can help make the transition easier by donating new luggage, duffel bags, and backpacks. Additionally, it is helpful, but not necessary to fill them with the following essentials:

- Toothbrush & paste
- Hair brush or comb
- School Supplies
- Coloring books
- Toiletries
- Deodorant for teens
- Blankets
- Female hygiene items
- Small games/cards
- Makeup and cosmetic bags
